GENERAL MANAGER'S MESSAGE:

A NOTE FROM LCC GENERAL MANAGER JIM SCHUMACHER

Spring is a natural time for renewal.

Warming temperatures and longer daylight hours are encouragements for us to renew our efforts. This renewal takes many shapes and forms, including spring house and cottage cleanings, recommitments to personal exercise plans, expanding spiritual mindsets, beginning new outdoor projects, and renewed involvement in support of Lighthouse Christian Camp.

How do we renew our involvement at LCC? We previously noted that priority one is to PRAY for the ongoing mission and ministry of LCC. God addresses and answers the petitions of His people as offered in their prayers. Moving on, priority two is INVEST. Let me encourage you to renew your LCC focus through the investment of your time, talent and treasure. Volunteer time by serving on a planning committee or a programmed event. Share your talent in working on a campus enhancement project. Invest a portion of your treasure into Lighthouse Christian Camp to support its operational ministry. I'm confident that there are many more avenues to INVEST into LCC. Let me encourage you to take some time to prayerfully consider your renewed investment into the mission and ministry of LCC.

Jim Schumacher
LCC General Manager

GETAWAY CAMP

August 6-12, 2016

As you think about the warm weather, the water, and the beach, think about the Hawaiian luau that we will be experiencing on Thursday, our last evening of Getaway Camp week! Tiki lights, a pig roast, and making grass skirts will be only a few of the things making this a special evening. Pack your Hawaiian shirts and sunglasses!

We need Auction items! Put aside anything that you may consider selling or getting rid of. Instead, bring those items to benefit Getaway Camp and see the money that can be raised. (Not to mention, getting your item to someone that completely appreciates it!)

Are you ready to serve? We'd love volunteers in any area, but we have a special need this year for someone to run the sound board.

Lots of rentals are still available, and the small white cabins are a great option! Most sleep 5; one is dog-friendly with a deposit. All of the cabins have a microwave, small fridge, and air conditioning. Registration forms will be available soon!

FAMILY CAMP

July 2-9, 2016

Pack your sneakers, this year is all about strength! Look for walking groups, fitness classes and morning stretching as we get physically fit before working on our spiritual strength! Feeling motivated after watching all of those March Madness games?! Great! We have a basketball game planned, so start working on those 3 point shots! If you are looking for some one-on-one competition, we will be having the inflatable obstacle course back for the 4th of July! Strengthen your mind with an interactive game night for the whole family! Will it be trivia? Pictionary? You'll have to wait and see what Todd Kroh has planned!

Do you like taking pictures? Family Camp is looking for photographers to capture all of the fun and exciting things going on throughout the week! Let us know if you are willing to take pictures for our evening slideshow presentation by emailing or calling us!

Children's PM workers are still needed for various ages, teaching and monitoring positions are available! Please contact us, even if it is just for one evening! We appreciate your willingness!
