## FAMILY CAMP

is only a few months away and we have great events planned.

One of the highlights of the week will be a Family Variety Show / LCC'S GOT TALENT on Thursday evening, July 5th. We welcome individual or group acts but only 15 spots are available and acts only need to be about 3 minutes long. It's necessary to have a variety of acts such as family skits, singing, lip sync, gymnastics, martial arts, or any other fun performances. Please email Shelley Sadler at sadlerrs@aol.com by May 1st if you would like to participate.

## FAMILY CAMP AUCTION

Now is a great time to begin thinking about what you would like to donate to the camp auction fundraiser. Sales in the stores are great now. Perhaps you can assemble a theme basket or donate a new item that would grab someone's eye. Remember, baked goods are desired always. If you are willing to help, send me an e-mail at soozieapple1@juno.com so we begin to see it all come together and boost our camp as well. Thanks.

## Vice President's Message

George Newman

Weight Loss Update: At the one-year mark I weighed in at 295.8, a loss of 68.7 to date. Although falling short of our March 1st goal, I am continuing to stay the course and hope to hit the 100-pound mark by Memorial Day. Thank you for all the prayers, cards and support for both Sandy and me.

I am excited about our upcoming season with our Building & Grounds Department, with Board oversight by Jack Baker. Dave Lee is our new Maintenance Supervisor. Roger Haskins has agreed to consult with Dave and help in emergency situations. The rest of the team will remain intact with Joe Dabill, Joel Zastrow, Ken Beguhl, Jim Rector, and we welcome our newest additions, Ron Sadler and Jim Yaeger. Jackie Cushman will be back leading our housekeeping staff.

However, additional help is needed, and applications are available at the office. Lisa Moeller and Lisa Fox are working hard to get things for the upcoming season in order. Erica Moeller will be joining the staff.

Additional part-time & volunteer staffing is needed, as Lisa Fox will be off for most of the summer on maternity leave. She is expecting twins in July.

I will be working with Wendy O'Hearn and putting our camp store staffing together in March and April.

Working closely with our bookkeeper Donna, we have just about completed some financial overhaul with our chart of income and expense accounts. Our goal is clarity, transparency, accuracy and simplicity.

We have also recently opened an interest-bearing account and have transferred all donor designated project funds into that account.

We are continuing to invest and maintain our rental units, with big ideas in the works, as well as developing some seasonal camp sites.

Please visit our web site and log in on the prayer request group if you want to be part of our prayer chain. If anyone is interested in being our "point" person responsible for making sure the web site has the most current and accurate information, please contact me.

We are also looking at developing a Youth Group Program, as we recognize the importance of their ideas, input and participation to the future of LCC.

**The Lighthouse Family Camp Orchestra is looking for at least twenty dedicated musicians to help honor our Military Men and Women at the annual Fourth of July Service. Ages 13 and older may inquire. Please contact Shelley Sadler at sadlerrs@aol.com for more information.**

## Calling all Empty Nesters!!!

Mark your calendars and save the last weekend in July (27th -29th) for our spectacular weekend.

If you are in the age group of 50's through 70's we have a great weekend planned for you. This year, we are once again blessed to have Doug Cullum speaking to us on Saturday morning. Further details about the activities will unfold each month in the *Spotlight*. Stay tuned!

And back by popular demand is the Amazing Race of fun challenges as one of our many activities. We're 50+ and enjoy every part of Kamp.

2017 Amazing Race Participants at the Finish Line: Rex, his sister Evelyn, Louise, and her cousin Joan. (Continue praying for Louise Carpenter's medical needs and thanking Him for His healing touch.)

## LCC MEMORIAL DAY WEEKEND RUMMAGE SALE AND MORE

*The 5th annual LCC Recirculation event during Memorial Day weekend will soon be here. It includes the general LCC rummage sale, individual rummage and craft sales, bake sale, and a hot dog lunch. Picnic tables will be set up on the east lawn of the Linda Williams McGrath Hall (LWMH) for an afternoon of socializing. Special again this year is entertainment by the Barker High School Jazz Band. Proceeds from the event are used to defray Memorial Day weekend expenses and help fund other programs at LCC. Your support to make the Recirculation event successful is vital to keep the LCC special activities either free or for a minimal charge. Please start saving your quality household items, bicycles, antiques, toys, tools, furniture, etc. for the sale. Even primitive items that can be "repurposed" appeal to the buyers. Please avoid hazardous materials such as open containers of chemicals that are poisonous or explosive, older tube-style TV's, non-working appliances, and old mattresses. We are forced to pay recycle fees for items that are not sellable. The bake sale portion of this event has been very popular and profitable for us. So we again appeal to all LCC bakers to fill the tables with your specialties.*

*Thank you to those who have volunteered to help during this event. We still have need for more to set up, grill, serve food, and cash out. To reserve a table or to volunteer, or if you have questions, contact Karen and Jeff at 920-734-3091 (Wisconsin home); 920-422-1222 (cell while at cottage), or email jnknw@aol.com.*

*Blessings, Jeff and Karen Atwater*

*Water Turn on Date  
April 15th*

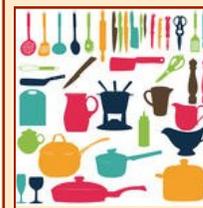

## Spring Clean Up

**May 5th**

8 AM Coffee and Donuts

8:30 - Noon Pick Up Sticks and Rake Leaves

12 PM Lunch for Volunteers

**LCC KITCHEN NEEDS  
REPLENISHING!**

Our kitchen is in need of new dish towels, dishcloths, pot holders, oven mitts, all sizes sharp knives, sponges, wooden spoons, rubber spatulas, pancake turners, and scrubbers. If you can help, thanks.
