LABOR DAY WEEKEND RECAP

As usual, Labor Day Weekend was a great endcap to a summer of fellowship, faith, and fun at Lighthouse Christian Camp!

We kicked off the weekend with our biannual Association Meeting, followed by a lovely day of relaxation, a trip to PWT, and an all-new "white elephant" auction to benefit the programming and upkeep of LCC! Participants brought wrapped items (good, bad, or indifferent!) and bid on them without knowing what was inside. Others then had the opportunity to "steal" those items unless the original bidder had purchased insurance. What fun! We far exceeded our goal for this auction, raising almost \$1,400 for LCC.

Sunday morning brought the second-to-last LCC service of the season, where we heard from Dr. Tim Chaddock about the importance of relationships. After a delicious potluck in the Annex at lunchtime, the kids headed to the playground area for "LCC Ninja Warrior". In the evening, Buildings & Grounds Manager Ed Blanks shared his inspiring, moving testimony.

On Monday, families and groups gathered to complete work projects around LCC, helping give back to the place that has given us so much!

In all, it was a spirit-filled, restful weekend, and a wonderful period of transition from busy summer to busy autumn and a return to school and work schedules.

A SEASON OF HOPE

A NOTE FROM LISA OVIATT, LCC PROGRAM MANAGER

Our theme for the summer was HOPE. We have had the opportunity to hear many speakers spin different Bible-inspired messages about an idea and concept that all of us need in our daily lives. We were repeatedly challenged to hope for more than what we knew could be achieved, and to believe in the impossible because of having a relationship with Jesus. In Him, all things are possible!

We also explored the opposite of hope, which is despair- a place that some of us find ourselves in from time to time. Peter Farrell, our Getaway Camp speaker, identified several strategies to become a faithful follower of Jesus and help keep us from despair. The one that stuck with me the most was continuously engaging in faith-based fellowship. This is something I have worked hard at providing you this summer at LCC. Whether through camps; weekend programs like an Open House, concert, or movie; light hearted entertainment like solving a Murder Mystery; a mid-week get together like Coffee Connection or Bible study; or through fellowship during a potluck, game or ice cream social, having opportunity to talk and be with other believers in this kind of place is unique and special and clearly something that I believe in. Not only does it sustain you, but it sustains the mission and future of Lighthouse Christian Camp.

Though summer is ending, LCC programming is not. I am working diligently on our third annual Fall Festival being held over Columbus Day Weekend, October 8-10. A schedule of events and details can be found within this month's Spotlight. You can also contact the office with any questions. This weekend has quickly become a tradition for some of you- a "can't miss weekend" at LCC. For those of you who have never attended, perhaps you will consider checking it out. There are reasons why folks are returning the third year in a row! Just remember: there are no registration fees or requirements, but it really helps my planning if you let me know you are coming. Please call the office and say, "We'll be there!"

Blessings!

Lisa Oviatt, Program Manager
