Grateful for LCC in 2017

I have a big thankful for this year in that I bought a cottage!!! I have been a renter for 15 or so years and have wanted a cottage for a long time. The community at LCC is so wonderful, the Lake is beautiful, and it is always a place of fun and relaxation. My nephews and niece have come with me for many years and have a great time there, too. It has been great to have our own cottage! We've had fun hanging out with friends, game nights, staying longer after camps are over, and feeling welcomed by the Association members and friends! We are very grateful to be blessed in this way!

Thanks!

Top Ten Reasons I am Thankful for LCC in 2017, by Naomi Garwood

10. The multigenerational enjoyment of hoedowns and hayrides. Good, vintage fun for all.
9. The many trick or treaters who came to my door during Fall Festival. May all these children and teens grow up to be adults who love and serve the Lord.
8. Keen Kamp was a spiritual, fun, God-honoring week. Grateful our budget was met as well as generous donations given to missions. Thank you, Lord!

7. Getting to know some people better and seeing so many new people at LCC.
6. Heart to heart talks, laughter, and tears with LCC friends.
5. Prayer support, not just during the camping season but year round.
4. The kindness, creativity, and generosity of time and talent that abounds here. Volunteerism is amazing.
3. Walks at 7:30 a.m. with women who truly care and pray for one another.
2. The joy in serving others. I love that whatever we can do, the Lord can use. For example, Ron's specialties include teaching pickleball and mowing lawns.
1. In summary, what I'm most thankful for is YOU. What a privilege to be part of a Christian community where we worship together and support each other through the ups and downs of life. To use Paul's words, "I thank my God every time I remember you." (Philippians 1:6)

I am very grateful that my path led me to the LCC Community! I've always felt so loved and appreciated during the years I have shared with this beautiful camp! I have gained many friendships that I hold near & dear to my heart. LCC opened its loving arms to my children & has created memories for them that will last a lifetime! I am very thankful for you all!

We attended Fall Festival and I was so impressed by the generosity and attitude of the residents during Trick or Treating. Those who handed out candy did so with huge smiles. I could tell they really enjoyed seeing the children and giving them a treat. It was not the normal door to door experience. They took time to greet the children and interact with them. My kids are probably too young to have noticed, but I certainly did. Thank you.

I enjoyed having so many LCC community activities to give us more opportunities to get to know people better!

I am thankful for Wayne and Sharon Dent who volunteered to organize and facilitate Sunday morning worship services during the month of September til Fall Festival. It was wonderful to expand our season and continue worshiping and fellowshiping together.

~ Lisa Oviatt

I am thankful for those who have gone before us and mourn the passing of three of my LCC friends: Zane Smith, Clair Fyke and Les King. I looked up to these men, enjoyed spending time with them and am aware of the difference they made in building God's Kingdom at our camp. My prayer is that God will comfort their loved ones and that we will continue to honor their memory at LCC. May they find us faithful.
